## Election Again Called to Get Additional Money for Grass Lake School

### Referendum Set for June 17, Plans Would Call For No Auditorium

A petition bearing 77 signatures was presented to the school board of Grass Lake, Dist. 36 at a special meeting June 4, asking for a special election to vote on additional bond issue to construct a new school building and found favorable action.

The referendum will be held Tuesday, June 17 at the school building and the voters will decide whether or not a bond issue of \$62,000 shall be issued and paid off through increased taxation. The first issue was for \$70,000.

Because the school is so badly needed the petitioners have asked that it be constructed at once to bring the cost within the bond limits without the gymnasium — auditorium. Eighty-one pupils were enrolled last year and the number is expected to increase to 100 next fall. The present building will not take care of even half that number.

#### Cheaper To Build

The petitioners are of the opinion that it will be cheaper to build now even with high prices than to consolidate, Walter Forbrich, secretary of the board said.

The election was changed from the usual Saturday date to Tuesday to take advantage of the little time that could be saved.

Forbrich said that the contract could be let on the basis of present bids for the entire structure and if the voters approve of the additional revenue, work could be started and the building completed in time for use in the fall.

#### Hope For Donor

Members of the board are hoping that some considerable citizen will provide the additional money for construction of the auditorium-gymnasium. He said that it could be named for the person and that the structure would be a living memorial.

## William Phillips Injured When Car Skids Avoiding Truck and Strikes Tree

William Phillips of 1013 Main st., is in St. Therese hospital at Waukegan, recovering from injuries received at 3 a. m. Saturday when in a dense fog near Loon Lake he swerved his automobile to escape hitting a milk truck skidded, and crashed through a fence against a tree.

Given first aid treatment by the Antioch rescue squad and taken home by them, he was later taken by ambulance to the hospital where eight stitches were taken in closing a wound over one eye lid.

Young Phillips was on his way home after taking a girl friend home when the accident occurred. He said that because the truck, an Antioch vehicle, had no tail light, he had no warning that it was ahead of him because of the dense fog and no time to stop.

He skidded about 60 feet before running up the embankment, through the fence and on to the tree before stopping. Besides receiving the eye injury he was badly bruised about the side.

The car a Buick sedanette with fewer than 5,000 miles registered, was a complete wreck.

He is the son of Mr. and Mrs. W. S. Phillips.

Phillips believes he will be able to come home in about a week.

### V. F. W. AUXILIARY TO HAVE POST AS DINNER GUESTS

The Ladies Auxiliary of the Antioch V. F. W. 4551 will entertain the members of the local V. F. W. post at a pot luck dinner at 6:30 with a social evening following on Tuesday, June 17 at Guild hall. All members are urged to be present.

#### Deerings Back From Canada

Dr. D. N. Deering and sons, David and William, arrived home Sunday from Canada where they went on a fishing trip. They reported excellent fishing. They met other Antioch fishermen, Howard and Harold Gaston, Calvin Hardin and Ben Maki, whom they said were also having good luck with their fishing and camping.

#### Lions To Meet June 23

The Antioch Lions club will have its next meeting one week from Monday at the Mehring resort, the old Dressel house, at Lake Marie. The dinner meeting will be purely a business affair.

## Village Officials Attend Tri-County Tax Meeting

Trustees Merrill Cunningham, James Mapletorpe, and Walter Scott, and Treasurer Mrs. Martha Hunter attended the tri-county meeting of village officials at Oak Park club in Cook county last week.

The area outside of Chicago in Cook, Lake and DuPage counties has been organized to work for a return of state tax collected money to the villages and cities to prevent indebtedness in the face of increasing costs and services.

## Large Crowd Attends Opening of Speed Boat Racing Season Sunday

The motorboat racing season opened Sunday at the Oak Park Hotel, Pistakee Bay, with a large number of boats competing and \$200 worth of trophies being given out.

Plans for races of this nature every two weeks call for the next race at the Helvetia hotel on Fox Lake, June 22, and the third to be held at the Bohemia Yacht club on July 6.

The "Chickie" belonging to M. P. Beulow, won the Class E race over the mile and a quarter course for a distance of two and one-half miles in the fast time of 3 minutes and 11 seconds. Bill Larsen, driving the "Viking", was but a tenth of a second behind in the first race, and was leading in the second when at the turn of the second buoy at the south of the course it hit a wake and lost out. This gave a second to Joe Lans "Hornet" and a third to Eddie Zender's "Hex".

In the 95 hp. inboard class Ray Sabath's "Ron About" was first in the time of 4:45 over a two-mile course; Louis Balas' "Missfit" was second and Ray Steupner's "Fertile Turtle" was third.

Eddie Zender's "Hex II" won the special race in which the Hughes Boat Co. presented a trophy valued at \$45. Keyser's "Barbara Ann" was third, and Al Horn's "Sudan" was second.

William Thompson, of Chicago, driving a Miller boat, such as will be built at Fox Lake, won the outboard motor race, besting Dick Harper of Antioch. Carl Graf, of Waukegan, was third among the seven boats.

In the Class C, amateur, Thomas June was first, Joe Wiley, second; and Ray C. Fuerhakes in the "Ach Mamma" third.

In the service standard division of Class C, David Bennecke, of Lake Villa, driving the "Sharkey" was first; Tom June, second; and Lawrence Bennecke driving the "Baracuda" third.

## Worthy Grand Matron Will Visit Antioch O. E. S.

Mrs. Mildred M. Barber, of Chicago, worthy grand matron of the Order of Eastern Star will be guest of the Antioch chapter Friday evening, June 27. She will be seated with Harriet Davis, worthy matron, and Ralph Kinrade, worthy patron, and after inspection of the degree work will speak.

Preparations for her coming were made by the local chapter last evening.

Mrs. H. B. Gaston, of the Antioch chapter, will serve as Electa for the grand chapter committee at the North Chicago Eastern Star meeting June 25.

## Mrs. Mabel Gerretsen of Fox Lake Succumbs Following Long Illness

Mrs. Mabel Gerretsen, 71, of Fox Lake, died at St. Therese hospital Saturday following a lingering illness.

The funeral service was held at the Strang funeral home, Tuesday at 2 p. m. The Rev. Stuart A. Joransen, of Ingleside Community church, officiated. Burial was in Grass Lake cemetery.

Mrs. Gerretsen was born Jan. 11, 1876 in Fox Lake and lived there all of her life. She was the daughter of the late Harry and Anna Dunnill. Her husband, Frank Gerretsen, preceded her in death Sept. 16, 1946.

Surviving are two sons, Horace, and Forest Tilden, of Fox Lake; four daughters, Mrs. Ada Anderson; Mrs. Iva Griffin and Miss Reta Gerretsen, all of Fox Lake, and Mrs. Eileen Detienne, of Zion. There are six grandchildren.

Mrs. Edward Ankerberg and children, Edward and Karen, of Chicago, are guests of Mrs. Ankerberg's parents, Mr. and Mrs. Simon Simonson, of Orchard St., this week.

## Cong. Church to Make Annapolis Appointment

Congressman Ralph E. Church, 10th District, Illinois, announced today from Washington that he has been called upon by the Navy Department to make an appointment to Annapolis. The 10th District will have one vacancy at the Naval Academy for admission in 1948. There will be no vacancies at the U. S. Military Academy for the 10th District until 1949, when two cadets credited to the District are due to graduate.

In order to give the young men interested in this appointment equal opportunity to qualify, Mr. Church announced that he would hold his annual competitive examination of all candidates under the auspices of the Civil Service Commission on Monday, July 21. He has arranged with the Commission for the examination to be held in Cook County at Chicago and Evanston; and in Lake County at Barrington, Highland Park, and Waukegan.

All candidates must be actual residents of the 10th District, of sound physical health and good moral character, and must be not less than 17 nor more than 21 years of age on April 1, 1948 (or no more than 23 years of age April 1, 1948 if they have served honorably not less than a year in the Armed Forces of the United States.)

Letters of application to take the competitive examination should be addressed to Congressman Ralph E. Church, House of Representatives, Washington, D. C. The applicant should designate where it would be most convenient for him to take the examination.

Candidates temporarily absent from the 10th District may be examined elsewhere, at examination points where the Civil Service Commission maintains an office or examiner.

Letters of application must be postmarked before midnight, June 18th.

## Illinois Bell Telephone Company Passes up 2nd Quarter Dividend

The Illinois Bell Telephone Company Board of Directors today voted to declare no dividend for the second quarter of 1947. Except for two quarterly periods in the depression, this is the first quarter since 1882 in which the Company failed to pay some return to stockholders.

The Company had paid 50 cents a share for the first quarter of 1947, announcing at the time that surplus funds were being used in part. In 1946, the Company paid dividends of \$6 per year, or \$1.50 a quarter. From 1909 to 1941, the Company paid no less than regular 58 annual dividends, with the exception of two depression years.

Announcing that the Company's 1947 operations had been conducted thus far without any profit to stockholders, President G. K. McCorkle stated that "Current uncertainties concerning 1947 financial results because of increasing expenses including the general wage increase just awarded, make omission of the second quarter dividend a prudent move." McCorkle explained that wage increases have yet to be determined for more than 12,000 Illinois Bell employees.

W. K. Kruse, Assistant Comptroller, testified last March before the Illinois Commerce Commission in the Company's rate case proceedings, that the Illinois portion of the Company's operations was producing a return of "practically zero." The Company now estimates that total Company operations, which include interstate long distance and Indiana business, will show a red figure for the second quarter.

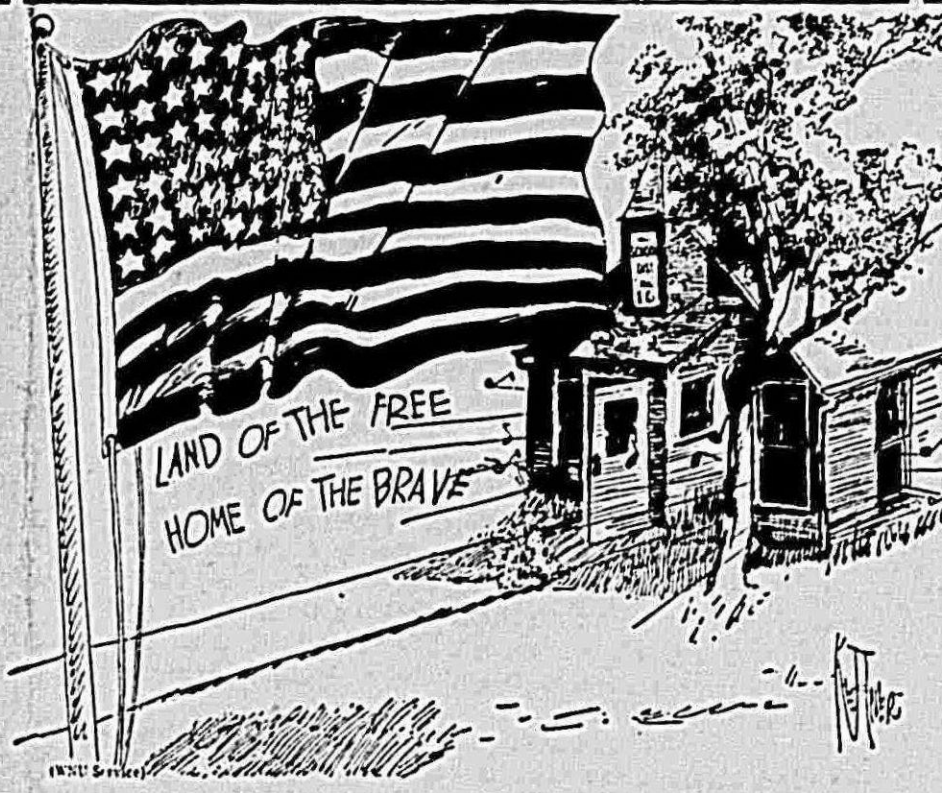

## House Warming Given The Don Berkheisers

Mr. and Mrs. Don Berkheiser, North Main st., were pleasantly surprised Tuesday evening when a number of friends gathered at their home for a house warming.

They presented the Berkheisers a bridge lamp as a token of their esteem. They spent the evening at cards and at the close a buffet luncheon was served.

The guests were Mr. and Mrs. Roman Vos, Mr. and Mrs. Edward Jacobs, Dr. and Mrs. A. P. Bratrud, Mr. and Mrs. Dudley Kennedy, Mr. and Mrs. John Dupre, Mr. and Mrs. Ralph Thompson and Homer LaPlant. Mr. and Mrs. Wendell Nelson participants in the gift, had left for New York and were unable to be present.

## Flag Day

## More Pay Promised for Antioch Police Force

A request by members of the Antioch police force for higher wages is expected to result in an increase provided in the annual budget which will be made out at the next meeting, Tuesday according to one member of the board.

"With all the work they are doing and with increased cost of living, they deserve to have more pay," another member said.

Fred Peterson, chief, said that; unless there is some financial relief somewhere he and the rest would have to quit to take other more lucrative jobs.

## Legion Auxiliary Will Hold Initiation Friday

The American Legion auxiliary will hold initiation tomorrow evening at the Legion hall following a regular business meeting at 8 p. m.

The president has asked that all candidates who have not been initiated be present.

Mrs. John Horan will be chairman of the refreshment committee for June.

## Village Attorney Elected Director Bar Association

George S. McGaughey, attorney for the village, was elected to the board of governors of the Illinois State Bar association last week.

As chairman of the association's military affairs committee for three years, he drew up plans for organization of lawyers of the state to provide counsel for the domestic problems of Illinois servicemen.

## Triple Wedding Anniversary Party Sunday at W. H. Gifford Home Attended by 125

### MRS. LAURA RADTKE DIES

Mrs. Laura Radtke, nee Kapischke, wife of Otto H. Radtke, of Park Lane, Lake Catherine died Tuesday at the Evangelical Lutheran hospital in Chicago.

Surviving are her husband, one daughter, Mrs. Myrtle Maas, two sons, Otto, Jr., and Bud and the late Loretta Gable and five grandchildren.

Funeral services will be held from the Holy Cross Evangelical Lutheran church, 31st Place and Racine Ave., Friday at 1:30 p. m. Interment will be in Bethania cemetery at 6645 Lafayette, Chicago.

## Antioch Nips R.L. Park; Plays Fox Lake Tonight

After ringing up a victory over Round Lake park by a score of 11 to 8 Monday, the Antioch Legionnaires will again try to register a victory tonight in their softball game with Fox Lake here.

Bill Thompson of Lake Villa at first, and Jack Koppen, having recovered from a sprained ankle and resumed his position at left field, bolstered the Antioch team considerably and they now have won one game and lost one game.

Next Tuesday they will play Long Lake here.

Long Lake defeated Grayslake here Tuesday and the other games scheduled to be played at Round Lake will be played here later in the week because of the condition of the Round Lake diamond.

## Four Badly Hurt When Auto Crashed into Soo Freight Train in Fog

Four Waukegan persons were injured when the automobile in which they were riding crashed into a south-bound Soo line freight train at Rock Lake road near Trevor at 10 p. m. Friday.

Anthony Wasinger, driver escaped with a lacerated chin and scalp; Mrs. Josephine Sorenson suffered fractured ribs and a possible hip fracture; her son, aged 14, badly cut and bruised, and James Cooper, 32, received a fractured left shoulder.

All gave their address as 29 Greenwood ave., Waukegan.

A dense fog kept the driver from seeing the moving train. Patrolman Kermit Schreck, of Trevor, was told. They were brought to the office of Dr. Irving L. Breakstone in Antioch where they were given immediate attention and then taken to Waukegan. The automobile was demolished.

The Antioch Township Library ended the fiscal year with 1946 registered patrons who borrowed a total of 21,436 books, magazines, and pamphlets.

The library now has a total of 7177 books, 880 of which were added to the shelves this year. Many of the new volumes were presented to the library as memorial books. Two new services were inaugurated by the library this year. They are the View-master scenes of interest and the reports of the Consumer's Union.

Mr. and Mrs. Sam Ries and daughter, Dolly and Miss Joyce Redlin, of Camp Lake, attended the graduation exercises in Kenosha. Wayne Ernert, of Kenosha, was among the graduates.

When a man and wife celebrate their golden wedding anniversary that is unusual but when they can celebrate the event the same day that their son and daughter celebrate their wedding anniversaries that's even more significant.

Mr. and Mrs. W. H. Gifford, of Channel Lake chose June 8 as the date of their wedding in Chicago in 1897. Eighteen years ago on June 8 their daughter, Dorothy, married Dr. C. E. Benesma, now of Tucson, Ariz., and 12 years ago on June 8 their son, W. Allen Gifford was married.

All three couples were in the reception line Sunday when 125 persons called between the hours of 2 and 6 p. m., but the spotlight was thrown on the older Giffords. Refreshments were served during the evening.

Mr. Gifford is a member of the G. W. Gifford family that settled early at Channel Lake. He brought his bride, formerly Grace Fluke, from Chicago to that community to live after they were married. Later they took up residence in Chicago where he engaged in the printing business. He retired five years ago and shortly afterward came to Channel Lake where they spent their summers and where they had established a voting residence more than 10 years previous.

The daughter and the son both were married at the residence in which they were privileged to join their parents in a triple wedding anniversary celebration.

A sister of Mr. Gifford, Mrs. M. E. Fenderson of Channel Lake, was the only guest Sunday who was present at the Gifford wedding 50 years ago at 6405 Yale ave., Chicago.

## Parking Meters Installed This Week to Be Used Starting Next Monday

### Parallel and Angle Parking Calls for 100 Meters On Main Street

Installation of 100 parking meters through which Antioch expects to provide parking space for its ever increasing number of visitors, is in progress this week and should be completed ready for operation Monday morning.

The work was started Monday under the direction of Art Laursen of Antioch. The drilling of holes in which the posts are set was done by R. B. Borregard, of Waukegan, who furnished the air compressor and drill.

The meters themselves will be attached to the posts Friday and will be in operation Monday.

The hours during which the parker is expected to pay are from 8:30 a. m. to 6 p. m. daily except Sunday, and on Saturday will extend to 9 p. m. National holidays are also excepted.

The meters are supplied by the Duncn Meter Corp. and are the same as used in Waukegan the last six years and in 26 other Illinois cities. They register 12 minutes parking for a penny and one hour for a nickel. A representative of the Duncn Meter Corp. said that the machines used here would be the type providing for 10-penny, or two-nickel deposits to two hours. A nickel and penny combination may be resorted to.

Installation of the meters is expected to result in a more fair apportionment of the parking space on Main street and will tend to discourage people who have made it a practice to park their cars in the shopping district for a half day or entire day.

There will be parallel parking on the east side of the street and 45 degree angle parking on the west side. The parallel parking has opened the roadway for a decided improvement in movement of traffic.

Full explanation of the meters operation appears elsewhere in the paper.

## Chicago Youth Winner of Annual Crow Shoot in Lake Co. Saturday

The seventh annual shoot of the Lake County Crow club was held Saturday with Otto Nelson of 1431 West Victoria ave., Chicago, a newcomer, as the winner.

He reported at the close of the day 20 crows and one red fox, taken near Lake Zurich. With one point for each crow and 25 points for the fox, Nelson, a student at Nicholas Senn High School, topped the record of Ernest L. Gilroy, high gun of previous shoots, who came in with 22 crows.

Gilroy, however, spent a part of the day receiving a degree from Lake Forest college, and his shooting was excellent for an overcast day and with heavy fog in the morning hours when the crows did not respond well to a call.

Particularly encouraging was the participation by the New Trier High school Hunting and Fishing club and Glenview High school hunters, according to Milton Coulter, secretary. Nelson, the winner, is a member of the Grayling Rod and Gun club, three of whose members accompanied him on the shoot. The youngest hunter was M. L. (Skip) Samson, Jr., of Glencoe, who killed three crows with three straight shots in the morning round.

President Louis E. Leverone served eggs and coffee to 30 hunters at his estate near Half Day at noon, using his outdoor grill. Present at the time was Livingston E. Osborne, director of the state department of conservation. Fifty persons in all took part in the shoot.

### Mrs. Berkheiser Injured

Mrs. Don Berkheiser of North Main st., made a misstep in descending from the porch of her home Wednesday morning and tore the ligaments in one leg. As the result she will be on crutches for a few weeks.

### Car Not Stolen, Just Moved

A driver of a Cadillac automobile failing to find his car when he returned to the place he left it in front of the bank Monday afternoon called the sheriff's office and reported the car stolen. Soon afterward he learned that because he had left the car in a position dangerous to traffic, Chief of Police Fred Peterson had moved it.

### The Forces of Freedom

It is estimated that there are more men under arms than shortly before the Second World War. Save in the Western Hemisphere, there is no real peace anywhere on earth. Violence, disorder, oppression—these are the symbols of the postwar world. And, as inevitably occurs in an age of suspicion and unrest, the liberties of people everywhere are being limited and destroyed. The position of the United States in this dark and dangerous time is clear. We, with a handful of allies, none of whom are economically or militarily powerful, are the last citadel of individual freedom. With few exceptions, the English speaking world alone still maintains and respects the basic rights of man—and even in that world there are ominous signs of weakening. The American government, in its dealing with the other powers, is the leader of the forces of freedom against the forces of darkness and the total state.

The duty of the United States is equally clear. To put it in a phrase, this duty is to maintain our strength. And strength can be divided into two different and distinct classifications. There is military strength—the strength of force. Much as Americans hate war and thought of war, we must maintain this, in the interest of self-preservation.

Second and still more vital, there is the kind of inner strength which only a free people can possess. This is the heart and soul of a nation and its institu-

tions. It is a nation's greatest resource in time of trial. And it rests upon the proposition that the rights of the individual are inviolate. So long as we have this, we shall be ready to meet whatever the coming years bring.

### Unions Should Sell Themselves

From the point of view of the individual worker, one of the most compelling arguments against the 100-per-cent closed shop in that it does not make for maximum efficiency and service to members on the part of the union.

Under the closed-shop principle, each worker must join the union or lose his job. As soon as he goes to work in the industry in question, he automatically becomes a dues payer. If he doesn't like the union and quits it, his employment in that industry terminates. That is why the closed shop union monopoly should be ended, the same as any other monopoly that destroys individual freedom.

A union, on the other hand, which depends for its membership on service, is like a business—it must please its customers or they will not patronize it. Thus, the union whose membership is purely voluntary and not compulsory will be on its toes to do the best possible job for its membership.

This is not a theoretical argument. The railway brotherhoods, for example, do not have the dubious advantage of the closed shop—that is specifically outlawed by the Railway Labor Act. No railroad worker has to join them and pay them dues. But they have signed up the vast majority of railroad workers in all categories because the workers feel that the unions are doing excellent work on their behalf and that they should be supported. And railway labor is among the best paid in the world, and enjoys innumerable other benefits.

A union which has a monopoly of workers in its field can take it easy. It isn't concerned whether the members are happy with its policies or not. A union which has to sell itself will produce top results.

Harms, of English Prairie. She is able to be up now.

Saturday, June 7, at 4 in the afternoon at the Lutheran parsonage, Marilyn Holdorf, formerly of Wilmet, Wis., was married to George Graber, of Salem, the marriage was performed by Rev. R. P. Otto. The bride wore a white gown of Scotch lace, a short veil, white lace gloves and carried a bouquet of white roses and Lilies of the Valley. The maid of honor, Doris Pacey, friend of the bride, from Wilmet, wore light blue chiffon gown, gloves and mimic veil, the bridesmaid, Clara Larson, friend of the bride, of Antioch, wore the same as maid of honor, they carried bouquets of mixed flowers. **MILLBURN**

Rev. Harold Crow, who is in charge of Youth Work in the Chicago Congregational Union, will be guest speaker at Millburn church at the 11 o'clock service Sunday, June 15.

Rev. Frederick Holly, of London, England, who is studying at Chicago Theological Seminary, had charge of the church services Sunday in the absence of Rev. Messersmith.

A group of women from Millburn Home Bureau made a trip to Chicago Tuesday, June 3, to supplement the recent lessons they had received on Home Furnishings, Color Harmony, Window Treatment and China-ware. Those participating in the tour were Mesdames Durr, president; Cunningham, Messner, Robert Murrie, C. Anderson, Sundin and Del-drich. Observing the furnished rooms at Field's and Carson's was the highlight of the tour, with some time spent in the china and glass ware departments as well as the antique rooms. The group enjoyed dinner in the Walnut Room at Field's.

Rev. and Mrs. L. H. Messersmith, Norma Welch and Lois Reigler left Thursday morning for Chadron, Nebr. to spend a week at We-You-Ca camp, a Pilgrim Fellowship camp, where the Messersmiths will be instructors. The girls will return by train this weekend, while Rev. and Mrs. Messersmith will remain for two weeks visit with relatives in Nebraska and Idaho.

Rev. Frederick Holley and Vernon Stahnke, of Chicago, were dinner guests at the Leslie Bonner home Sunday.

Mrs. Robert Erwin, of Waukegan, was a caller at the Frank Edwards home Thursday evening.

Richard Martin, instructor at Western Military Academy, at Alton, Ill., spent Wednesday and Thursday with

his parents, Mr. and Mrs. E. A. Martin.

Mr. and Mrs. A. C. Grant, of Edison Park spent Sunday afternoon at O. L. Hollenbeck's.

He will spend the summer conducting tours from St. Louis through the United States, Canada and Mexico.

Mr. and Mrs. E. A. Martin, Mr. and Mrs. Harley Clark, Mrs. Anna Bauman, Mr. and Mrs. Eric Anderson and Mr. and Mrs. Kless Gyzen with a group from the Commandery in Waukegan visited the Chicago unit of Shriner's hospital for crippled children Sunday afternoon.

Millburn unit of Home bureau will meet at the home of Mrs. Lyman Thain Friday afternoon, June 13, instead of June 20, with the major lesson given by Mrs. Cunningham and Vivien Bonner.

Miss Ruth Minto accompanied by her mother, Mrs. D. H. Minto, and Mrs. Bertha Newman drove to Decatur, Ill., Saturday, for Miss Katherine Minto, who has finished her school and will spend the summer at her home.

Mrs. Eva Alling, of Waukegan, spent Wednesday evening at the Frank Edwards home.

Mrs. Howard Petty and daughters, Joanne and Carol, of Urbana, Ill., are spending ten days at the Leslie Bonner home.

Arthur Hauser, of Kenosha, and Mr. and Mrs. Clarence Hauser, of Grayslake, spent Sunday afternoon at the Frank Hauser home.

Mr. and Mrs. Roy Bonner and family spent Sunday at the A. N. Truax home at Elkhorn, Wis.

**HICKORY**

Miss Grace Tillotson, of Kenosha, visited Thursday evening and spent the night with Mr. and Mrs. H. A. Tillotson.

Gerald Hunter left Chicago by train early Monday morning, June 9, for Jacksonville, Fla., where he will visit his brother and wife, Ensign and Mrs. Russell E. Hunter.

Tom Conley, of Chicago, visited Milton Smith over the weekend.

Mrs. Eva Alling, of Waukegan, visited the Bert Edwards home Thursday evening.

Mr. and Mrs. George Rohr and son, Bruce, of Kenosha, visited Sunday afternoon and were supper guests at the H. A. Tillotson home.

Mr. Harrie Young, from Kenosha, called at Harrie Tillotson home Monday afternoon, June 9.

Mrs. Will Edwards and daughter,

Mrs. Winona Slater, of Milwaukee, visited the Bert Edwards family Sunday afternoon.

Mrs. Emmet King spent Sunday and Monday at Hebron at the home of her daughter, Mrs. G. A. Lange. The latter was ill with a bad throat infection.

Miss Barbara Jean Doolittle had her tonsils removed at Libertyville hospital on Tuesday morning, June 3rd.

## KENOSHA COUNTY COUPLE MARRIES

In a pretty home wedding Saturday afternoon at 2 o'clock, Miss Luella Adella Schmidt, daughter of Mr. and Mrs. Walter Schmidt, Genoa City, became the bride of Max Hilbert, son of Mr. and Mrs. Nicholas Hilbert, of Salem. The Rev. R. P. Otto of Wilmet, performed the ceremony at an improvised altar decorated with bouquets of white gladioli and peonies.

The bride wore a floor-length gown of white satin and net, with a lace-edged veil falling from a beaded tiara. Her bouquet was a cascade of white carnations, centered with a corsage of red roses. Walter Schmidt gave his daughter in marriage, and her sister, Mrs. Eugene Behrens, was her only attendant. Mrs. Behrens wore a gown of blue taffeta and net and carried a cascade of white and pink carnations. George Hilbert attended his brother as best man.

Wedding dinner was served at the Gateway hotel at Genoa City, and a reception followed for 150 guests. Later in the evening, Mr. and Mrs. Hilbert left for northern Wisconsin. Upon their return they will reside on the Hilbert homestead at Salem, Wis.

Mr. and Mrs. Nicholas Hilbert, Jr., of Antioch, attended the ceremony.

Mr. Lyman C. Weaver and daughter, Peggy, of Sarasota, Florida, are the guests of Mr. and Mrs. Don Berkheiser this week.

Mrs. C. N. Lux and two nephews Robert and Bill Wilton, left Monday for a visit at Pittsfield, Ill.

Mrs. Howard K. Gaston and children called on relatives in Lake Forest Sunday.

Mrs. Ella Gaulke, of Chicago, is the guest of her sister, Mrs. George Garland, and family for the weekend.

A new Junior choir has recently been organized at St. Ignatius Episcopal church. Any young people wishing to sing with them are invited to contact the Rev. Strauser.

Mr. and Mrs. Wendell Nelson and Mrs. Nelson's parents, Mr. and Mrs. Ray Wrigley, of Woodstock, are vacationing in New York this week.

## ANTIOCH ACES 4-H CLUB HAS FINE MEETING

The Antioch Aces had their fifth meeting at the home of Mrs. M. J. Nelson. Mary Lou Wilton was elected secretary, and Patsy Keulman, reporter.

Talks were given by Joanne Osmond on "How to Thread and Use a Needle" and Mary Lou Wilton on "Good Health Habits." Shirley Nelson played two selections on the piano. Adella Rentner gave a talk on color combination, and Patsy Keulman talked on simple alterations.

## RUSSELL ROSES MET LAST WEEK AND ON TUESDAY

The Russell Roses 4-H club held its second meeting at the home of the leader, Mrs. Robert Murrie, with Mrs. Roy Bolton assisting.

Rosemary Bolton, president, was in charge with all members present. Joyce Keihl and Rosemary Bolton gave demonstrations on "How to Thread a Sewing Machine," and "How to Measure for a pattern."

The afternoon was spent in starting sewing projects. The next meeting was held at 2 p. m. Tuesday, June 10.

## REVEREND HAROLD CRAW TO BE GUEST SPEAKER

The Rev. Harold Crawl, Director of Education and Youth Work of the Chicago Congregational Union, will speak at the morning service in the Millburn Church Sunday, in the absence of Rev. Messersmith.

Mr. Crawl came to this area a few years ago from a rich experience in Congregational churches in New England. A forceful speaker with a pleasing personality, he leaves his audience with a sense of having grown in spiritual stature. As director of Youth activities he will soon be leaving to spend the summer directing camps at Tower Hill, Michigan.

Miss Eleanor Horton, Robert and Floyd Horton left Monday for northern Wisconsin. Miss Horton will visit Miss Myrtle Hartke at Stanley, Wis., and will serve as Maid of honor at Miss Hartke's wedding, which will take place soon. Miss Hartke is a former resident of Antioch.

Floyd and Robert plan to do some fishing at Potato Lake, Wis.

## Consider Surfacing Problem

The Antioch Township High school board of trustees meeting recently held in special session took under consideration the surfacing of the drive and parking lot of the school. No decision was reached but the conditions of the grounds are such that something should be done before next winter.

## Historical Food

Milk is one of the oldest known foods. Records exist of cows being milked in 9000 B. C. The Bible contains many references to milk, one of the best remembered from Exodus 3:8—"milk and honey." Sanskrit writings 6,000 years old tell how milk is one of the most essential of all foods. Hippocrates recommended milk as a medicine five centuries before Christ. In Ur of the Chaldees a frieze depicts a dairy scene in 3500 B. C. showing milk containers and strainers.

## Farm Electricity

Some 200 years ago, when Benjamin Franklin sent his famous kite into the clouds, electricity was only a toy for experimenters to play with. Today it is an essential part of our daily lives. Rural Electrification administration has made a tally of uses that farmers alone are making of energy coming over their cooperatively-owned lines and has arrived at the astonishing total of 400. So varied is the listing that there's a farm use for practically every letter of the alphabet.

### T.E.W. Housing Bill Would Place Gov't in Competition With Private Builders

Prices should come down as President Truman urges, but Sen. Bridges pointed the way when he suggested that Government should take the lead by cutting Government costs, according to a statement made today by E. F. Vos, local lumber dealer.

Home-building cost statistics over a period of years show a rise and fall directly reflecting the increase and decrease in the cost of the Executive Branch of Government, Mr. Vos said.

Now, the T-E-W housing bill proposes new subsidized and public housing at a cost of \$7.5 billion. This added expenditures through the Executive Branch of Government is alone larger than the total taxes collected from the American people in any year before 1941, he pointed out.

If such a course would actually add to the store of houses, it might be worth the price, but it will not increase either the supply of material or the supply of labor. Instead, it puts Government programs in competition with private building for local material and labor; and stimulates millions of people to seek new homes at a time when the building market is already overwhelmed by demand. Obviously such results would have an inflationary effect.

In addition to being inflationary, the bill proposes to perpetuate a large Government agency for the purpose of administering the overall housing program within the U. S. It seems clear that the administrative costs in a Government agency will exceed the mere detailed costs of salaries and office space. Examine the present record of the FPHA, which would be one of the agencies perpetuated, Vos suggested.

An investigation conducted by the House Appropriations Committee, aided by FBI investigators, brought to light the following facts regarding this agency:

In New Jersey, a CIO official attempted to force the heavily unionized FPHA local office to sell \$5,000 dwelling at a price of \$5 each;

In the local office at San Francisco, employees lost 11,880 man-days annually in time spent drinking coffee; while at the same time they were being paid overtime at the rate of \$14,000 monthly;

Coal was purchased for heating a project after it was converted to using oil; and in another project, minus lawns of any kind, \$500 was charged to grass-cutting equipment;

Work in the New York area is duplicated by the local and regional offices, each employing 300 persons. In view of this duplication, it is estimated that \$94,000 annually is spent by the Government for unnecessary office and storage space.

These are random examples from a single report.

proposes to perpetuate this type of bureaucracy with its uncertain expenditures, Vos concluded.

#### Locker Plants

About 13 million persons in the U. S. are being served by frozen-food locker plants.

#### U.N. Memberships

There are four members of the United Nations with more than a hundred million population and four with less than one million. ## ANTIOCH'S PARKING METERS

Manufactured and Installed by Duncan Meter Corp., Chicago.

## Go Into Use Monday, June 16

#### OPERATING HOURS

8:30 A. M. to 6:00 P. M. SATURDAYS: 8:30 A. M. to 9: P. M.

(SUNDAYS AND HOLIDAYS EXCEPTED)

Your Village Council is attempting to alleviate the Village's curb parking congestion, and has voted to give parking meters a trial period.

The meters are installed without any investment or expense to the city.

They are installed for the purpose of making more parking spaces available nearer the stores you wish to visit, and reducing the walking distance to and from your cars with bundles.

Enforcement will start at 8:30 a. m. Monday, June 16.

The meter regulations must be observed between the hours of 8:30 a. m. and 6:00 p. m., daily, except Saturday when the hours will be 8:30 a. m. to 9:00 p. m.

Use pennies or nickels throughout entire total time period of 2 hours. Each penny pays for 12 minutes of time. Each 5c coin pays for 60 minutes of time. (A penny will not operate the meter in the nickel slot.)

The important thing for the parker to remember is that he must manipulate the meter himself by turning the handle at the front, to set the timing device in operation. Under no circumstances will police officers be authorized to manipulate the meter, except for purpose of possible instruction when enforcement is first started.

To avoid a violation the operator must set the meter in operation when he drives into the parking space as directed on the face of the meter. Both "violations" flags in the meter must be completely out of view before the meter is in operation.

It shall be unlawful for any person to deface, tamper with, damage, open or wilfully break, destroy, or impair the usefulness of any parking meter installed on the streets of Antioch. This provision will be enforced rigidly.

Meters have been installed for the benefit of the whole community, to better traffic and parking conditions for you. The co-operation of the entire public is requested.

### Double Parking Will Not Be Tolerated

Cars must be parked within the space lines painted on the street. Both parallel and diagonal parking has been provided with the view to reducing traffic hazards. "No Parking" area must be strictly observed.

## LEGAL NOTICE

## Ordinance

AN ORDINANCE authorizing and providing for the issue of \$32,000 principal amount Waterworks and Sewerage Revenue Bonds Series 1947, of the Village of Antioch, Lake County, Illinois, for the purpose of defraying the cost of improving and extending the present combined waterworks and sewerage system of said Village, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenue of the waterworks and sewerage system of said Village, for the purpose of paying the cost of the operation and maintenance thereof, providing an adequate depreciation fund thereof, and paying the principal and interest of said \$32,000 principal amount Waterworks and Sewerage Revenue Bonds.

WHEREAS the Village of Antioch, Lake County, Illinois, has heretofore, by ordinance, provided for the combination of its existing municipally owned waterworks and sewerage systems into a combined waterworks and sewerage system in accordance with the provisions of the laws of the State of Illinois thereunto enabling; and

WHEREAS it is deemed advisable, necessary, and for the best interests of said Village that its combined waterworks and sewerage system, as aforesaid, be further improved and extended by the acquisition, construction and installation of the following described properties, improvements and equipment, together with all necessary appurtenances and connections used or useful in connection with the public convenience thereof, viz:

a) The construction and acquisition of a sewerage treatment plant including a pump building and the acquisition of all necessary pumps, pumping equipment and machinery therefor;

b) The construction, acquisition, and installation of all connections necessary to integrate such sewerage treatment plant with the existing combined waterworks and sewerage system; and

WHEREAS the total estimated cost of acquiring such properties, constructing such improvements and extensions, as prepared by the engineers for said Village employed for that purpose, is not less than Thirty-Two Thousand Dollars (\$32,000), and said Village does not have sufficient funds available therefor, and it will be necessary to borrow money and issue bonds in evidence thereof, for said purposes, to the amount of Thirty-Two Thousand Dollars (\$32,000); and

WHEREAS pursuant to the provisions of the Revised Cities and Villages Act, approved August 15, 1941, as amended, this Village is authorized to issue Waterworks and Sewerage Revenue Bonds in an amount found sufficient to pay the cost of acquiring such properties, constructing such improvements and extensions, and installing such equipment, as aforesaid;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 1. That the Village of Antioch, Lake County, Illinois, has heretofore determined, and does hereby determine, that the existing municipally owned waterworks and sewerage system of said Village be maintained and operated as a combined waterworks and sewerage system, and said combined system shall include the existing waterworks and sewerage systems with all additions thereto and improvements thereof.

Section 2. That said Village has caused an estimate of the cost of making improvements and extensions to its combined waterworks and sewerage system consisting of the acquisition of the properties and the construction of the improvements and the installation of the equipment hereinabove in the preamble of this Ordinance described and set forth, together with all necessary appurtenances and connections used or useful in connection with the public convenience thereof, and has heretofore determined, and does hereby determine, that the total estimated cost of such improvements and extensions as furnished by the engineers employed by the Village for that purpose is the sum of Thirty-Two Thousand Dollars (\$32,000).

Section 3. That said Village does hereby determine the period of usefulness of such combined waterworks and sewerage system and the improvements and extensions, as aforesaid, to be made thereto to be forty (40) years.

Section 4. That said Village does not have sufficient funds available for the purpose of paying the entire cost of constructing such improvements and extensions, as aforesaid, and for said purposes it will require the issue by said Village of Thirty-Two Thousand Dollars (\$32,000) Waterworks and Sewerage Revenue Bonds, bearing interest at the rate of Three Per Cent (3%) per annum, payable semi-annually.

Section 5. That for the purpose of defraying the cost of such improvements and extensions, as aforesaid, there be issued and sold revenue bonds of said Village to be designated "Waterworks and Sewerage Revenue Bonds, Series 1947," in the

principal amount of Thirty-Two Thousand Dollars (\$32,000), which bonds shall bear date of May 1, 1947, be of the denomination of One Thousand Dollars and be numbered consecutively from one (1) to thirty-two (32), inclusive; that said bonds shall bear interest at the rate of Three Per Cent (3%) per annum from date thereof until paid, payable May 1, 1948, and semi-annually thereafter on the first days of November and May in each year, which such interest until the maturity of said bonds shall be evidenced by, and shall be payable upon the presentation and surrender of, the interest coupons attached to said bonds, and shall mature in numerical order as follows:

\$2,000 on May 1, 1948.

\$3,000 on May 1 in each of the years 1949 through 1953.

Section 6. Both principal of and interest on said Waterworks and Sewerage Revenue Bonds shall be payable in lawful money of the United States of America, at The First National Bank of Chicago in the City of Chicago, Illinois. Said bonds shall be signed by the President, sealed with the corporate seal of said Village and attested by the Village Clerk, and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said President and said Village Clerk, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

Said bonds, together with interest thereon, shall be payable solely from the revenues derived from the combined waterworks and sewerage system of said Village, and such bonds shall not in any event constitute an indebtedness of said Village within the meaning of any constitutional or statutory limitation.

Any of said bonds may be registered at the option of the holder as to principal only, at any time prior to maturity, in the name of the holder, on the books of the said Village in the office of the Village Treasurer. Such registration to be noted on the reverse side of the bonds by said Treasurer, and thereafter the principal of such registered bonds shall be payable only to the registered holder, his legal representative or assigns. Such registered bonds may be transferable to another registered holder or back to bearer only upon presentation to said Treasurer, with a legal assignment duly acknowledged or approved. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

Section 7. That said bonds and coupons shall be in substantially the following form:

KNOW ALL MEN BY THESE PRESENTS that the Village of Antioch, in Lake County, Illinois, for value received, hereby promises to pay to bearer, or if this bond be registered as hereinafter provided, then to the registered holder hereof, solely from the waterworks and sewerage fund of the Village of Antioch, as hereinafter mentioned, and not otherwise, the sum of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_), on May 1, 19\_\_\_\_, together with interest on said sum from date hereof until paid at the rate of Three Per Cent (3%) per annum, payable May 1, 1948, and semi-annually thereafter on the first days of November and May in each year, which such interest until maturity hereof is payable upon presentation and surrender of the annexed interest coupons as they severally become due.

Both principal and interest of this bond are hereby made payable in lawful money of the United States of America, at The First National Bank of Chicago, in the City of Chicago, Illinois.

This bond is payable solely from revenues derived from the combined waterworks and sewerage system of said Village, and not otherwise, and is one of an issue aggregating the principal sum of Thirty-Two Thousand Dollars (\$32,000) issued under authority of Article 62 of the Revised Cities and Villages Act, approved August 15, 1941, and all laws amendatory thereof and supplementary thereto, and an Ordinance duly enacted by the President and Board of Trustees of said Village and approved and published as by law required, for the purpose of paying the cost of constructing improvements and extensions to the combined municipal waterworks and sewerage system of said Village, and this bond, and the issue of which it is a part, does not, and shall not in any event, constitute an indebtedness of said Village within any constitutional or statutory limitation.

Under said law and the Ordinance adopted pursuant thereto, sufficient revenues from the operation of the combined waterworks and sewerage system shall be deposited in a separate fund, designated as the "Waterworks and Sewerage Fund" of said Village, which shall be used only in paying the cost of the operation and maintenance of such combined system, providing an adequate depreciation fund, and paying the principal of and interest on the bonds of said Village that are issued under

authority of said law and are payable by their terms only from the revenues of such combined waterworks and sewerage system.

It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this bond have been done and have happened and have been performed in regular and due form of law, and that provision has been made for depositing in said Waterworks and Sewerage Fund sufficient revenues received from the operation of said combined waterworks and sewerage system to be applied in the manner as hereinabove set forth; and it is hereby covenanted and agreed that rates will be charged for the use and service of such combined waterworks and sewerage system, sufficient at all times to pay the cost of the operation and maintenance of such system, to provide an adequate depreciation fund, and to pay the principal of and interest upon all bonds issued by said Village which are payable solely from the revenues of such system.

This bond may be registered as to principal only, in the name of the holder, on the books of said Village in the office of the Village Treasurer. Such registration to be evidenced by notation of said Treasurer on the back hereof, after which no transfer hereof shall be valid, unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery, but it may be again registered as before. The registration of this bond shall not restrict the negotiability of the coupons by delivery merely.

IN WITNESS WHEREOF said Village of Antioch, Lake County, Illinois, by its President and Board of Trustees, has caused this bond to be signed by its President, its corporate seal to be hereto affixed and attested by the Village Clerk, and the coupons hereto attached to be signed by the facsimile signatures of said President and said Village Clerk, which officials by the execution of this bond, do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the first day of May, 1947.

Section 8. That upon the issuance of any of the Waterworks and Sewerage Revenue Bonds herein provided for, the combined municipal waterworks and sewerage system of said Village for the purpose of this ordinance, shall be operated on a fiscal year basis, commencing the first day of May and ending the last day of April of each succeeding year, and during each such year ending April 30, so long as any of the bonds hereon authorized to be issued are outstanding, sufficient revenues derived from the operation of the combined waterworks and sewerage system of said Village shall be collected and shall be set aside as collected and be deposited monthly in a separate fund, which is hereby created, to be designated as the "Waterworks and Sewerage Fund" of the Village of Antioch, which shall be used only in paying the cost of the operation and maintenance of said system, providing an adequate depreciation fund, as hereinafter provided, and paying the principal of and interest upon the Waterworks and Sewerage Revenue Bonds of said Village that are payable by their terms only from such revenues and such Waterworks and Sewerage Fund shall be used only for such purposes.

It is hereby determined that the amounts to be set aside in said Waterworks and Sewerage Fund to be used for the purpose of paying the principal of and interest on said Waterworks and Sewerage Revenue Bonds issued under the provisions of this Ordinance shall be as follows:

Fiscal Year Beginning	Principal	Interest
May 1 1947	\$2,000	
1948	3,000	
1949	3,810	
1950	3,720	
1951	3,630	
1952	3,540	
1953	3,450	
1954	3,360	
1955	3,270	
1956	3,180	
1957	3,090	

Distribution of amounts in said Waterworks and Sewerage Fund sufficient to cover the above-required sums (1) for the purpose of paying the principal of and interest on the Waterworks and Sewerage Revenue Bonds issued under the provisions of this Ordinance and (2) for the purpose of paying the cost of the operation and maintenance of said waterworks and sewerage system and providing an adequate depreciation fund, as hereinafter provided, together with the sums required to pay the principal of and interest on the additional bonds to be, and permit the principal of and interest on the bonds herein authorized as set forth in Section 11 hereof, shall be made monthly on the last day of each month, except that when the last day of any month shall be Sunday or a legal holiday, then such distribution shall be made on the next succeeding secular day.

Said Village covenants that all income and revenues derived from the operation of said combined system and accruing since May 1, 1947, notwithstanding the date of delivery of the bonds herein authorized, shall be deposited promptly in accordance with the provisions hereof and shall be applied to the purposes herein named.

The amount so deposited each month during any fiscal year shall be not less than one-twelfth (1/12) of the minimum hereinabove set out to be deposited for each such fiscal year; provided, that the amount so deposited on May 31, 1947, shall be not less than one-twelfth (1/12) of the minimum amount hereinabove set out to be deposited for the fiscal year ending April 30, 1947, despite the fact that this Ordinance may not be effective prior to May 31, 1947, or that the bonds herein authorized may not have been delivered prior to that date.

Said Waterworks and Sewerage Fund, as hereinabove provided for, shall be used solely and only, and together with all monies therein and assets thereof, is hereby pledged for the sole purpose of paying the principal of and interest on the bonds herein authorized to be issued, and all other bonds that are, or may hereafter be legally issued which by their terms and the enabling legislation supporting these bonds are payable solely from the revenues to be derived from said system, to pay the cost of the operation and maintenance of said system and to provide an adequate depreciation fund therefor, which depreciation fund shall be accumulated at an annual rate of not less than One Thousand Dollars (\$1,000.00).

Section 9. While the bonds authorized hereunder, or any of them, remain outstanding or unpaid, rates charged for water and sewerage service shall be sufficient at all times to pay the cost of the operation and maintenance of said waterworks and sewerage system, to provide a depreciation fund therefor, and to pay the interest on and principal of the Waterworks and Sewerage Revenue Bonds issued hereunder. And there shall be charged against all users of said combined water and sewerage system, including said Village, such rates and amounts for water and sewerage service as shall be adequate to meet the requirements of this Ordinance. Compensation for services rendered the Village shall be charged against the Village, and payment for the same from the corporate funds shall be made monthly into the Waterworks and Sewerage Fund created by this Ordinance, in the same manner as other revenues are required to be deposited.

Section 10. Any holder of a bond or bonds or any of the coupons of any bond or bonds issued hereunder may, either in law or in equity, by suit, mandamus, or other proceeding, enforce or compel performance of all duties required by this Ordinance, including the making and collecting of sufficient rates for water and sewerage service and application of income and revenue therefrom.

Section 11. It is hereby covenanted and agreed that while any Waterworks and Sewerage Revenue Bonds issued hereunder are outstanding, no additional revenue bonds shall be issued, unless and until the income derived from the combined waterworks and sewerage system for the fiscal year ending April 30 of the year next preceding the issue of

such additional revenue bonds (after payment of the expenses of operation and maintenance and after setting aside the annual payment for a depreciation reserve as above mentioned) is equal to, or greater than, either (1) the maximum requirement for any one year for payment of the principal of and interest on all bonds then outstanding and unpaid which by their terms are payable solely from the revenues of said combined system or (2) the maximum requirement for any one year for payment of the principal of and interest on the additional revenue bonds then to be issued, whichever is the greater; provided, however, that the foregoing provisions of this Section as to the issue by said Village of additional revenue bonds payable from the combined waterworks and sewerage system of said Village are subject to the following exceptions:

a) Said Village reserves the right to issue additional revenue bonds payable from the income derived from the combined waterworks and sewerage system of said Village for the purpose of completing the improvements and extensions authorized by this ordinance which such additional bonds shall be issued on a parity with the revenue bonds authorized by this ordinance; any such additional bonds to be issued in an amount only necessary to complete such improvements and extensions as certified to said Village by a responsible engineer engaged in similar kind, construction and as provided by ordinance duly adopted by the President and Board of Trustees.

Said Village covenants and agrees that the issue of the \$32,000 Waterworks and Sewerage Revenue Bonds hereinabove authorized together with said issue of said additional Waterworks and Sewerage Revenue Bonds when issued, shall be entitled to the equal and proportionate benefit and security of the pledge of the revenues and income derived and to be derived from the operation of the combined waterworks and sewerage system of said Village without preference, priority or distinction as to participation in such pledge of revenues or in the benefit and protection thereof of one bond or coupon of each said issue over or from others or of one of said issue of bonds over or from any other issue by reason of priority in the issue, delivery, or negotiation thereof, or by reason of the date or dates of maturity thereof, or for any other reason whatsoever, the intent hereby being that each and all of said bonds and coupons as aforesaid shall have the same right and privilege as to payment with the same legal effect as if each and all of said bonds and coupons had all been issued, delivered, and negotiated simultaneously as one proceeding.

Section 12. That said Village hereby covenants and agrees with the holder or holders of the bonds herein proposed to be issued, or any of them, that it will punctually perform all duties with reference to said combined waterworks and sewerage system, required by the Constitution and Laws of the State of Illinois, including the making and collecting of sufficient rates for water and sewerage service and segregating the revenues of said combined system and the application of the respective funds created by this Ordinance; and it hereby covenants and agrees not to sell, lease, loan, mortgage, or in any manner dispose of said combined waterworks and sewerage system, including any and all extensions and improvements that may be made thereto, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment of all such bonds and interest thereon in full. And the said Village further covenants and agrees with the holders of said bonds to maintain in good condition and continuously operate said combined waterworks and sewerage system until all of said bonds, both principal and interest, have been paid in full.

Section 13. The provisions of this Ordinance shall constitute a contract between said Village and the holders of the bonds herein authorized to be issued, and after the issuance of said bonds no changes, additions or alterations of any kind

shall be made hereto in any manner except in accordance with the provisions of this Ordinance, or until such time as all of said bonds issued hereunder and the interest thereon shall be paid in full, or unless and until provision shall have been made for the payment of all such bonds and interest thereon in full.

Section 14. That said bonds be sold to The White-Phillips Company, Inc. at par and accrued interest and the proceeds derived from the sale of said bonds hereby authorized shall be used for the construction of the improvements and extensions to the combined waterworks and sewerage system, in accordance with plans and specifications therefor, prepared for that purpose, and now on file in the office of the Village Clerk, and open to the inspection of the public.

Section 15. Said Waterworks and Sewerage Fund and accounts, both of the Collector and Treasurer, shall be audited at least once in each year by a recognized certified public accountant, and such audit and accounts shall be open for inspection at all proper times to any taxpayer or user of said combined waterworks and sewerage system, or to any holder of bonds issued under the provisions of this Ordinance, or to any one acting for or on behalf of such taxpayer, user or bondholder. Reports of the operation of the combined system shall be furnished the President and Board of Trustees monthly, and copies of the same shall be furnished to any bondholder upon request.

Section 16. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 17. In the event the amount of bonds issued is less than the aggregate amount herein authorized, the amounts to be set aside in the Waterworks and Sewerage Fund to be used for the purpose of paying principal and interest of Waterworks and Sewerage Revenue Bonds, as provided in Section 8 hereof, shall be reduced proportionately.

Section 18. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

Section 19. This Ordinance, after its passage, shall be published once in The Antioch News, a newspaper published and having a general circulation in said Village, and if no petition is filed with the Clerk of said Village within ten (10) days after the publication of this Ordinance, by Fifteen Per Cent (15%) of the number of voters voting for President at the last preceding general election, requesting the submission of the proposition of making the improvements and extensions and issuing the bonds herein provided for, to the voters of said Village, then this Ordinance shall be in full force and effect.

## Chicago and Northern Illinois . . . Future Medical Capital of the World

Already known throughout the world for its schools of medicine, institutes of scientific research, and large, well-staffed hospitals, the Chicago and Northern Illinois area will continue to attract important men of medicine from the world over.

Today, the area is the site of four medical and three dental schools of highest standing. Practical training is carried on in the 174 hospitals, and 27 sanitariums and infirmaries containing 71,349 beds. Here, also, are the homes of a dozen national and international organizations in medicine and related fields. The territory is now the world center for medical information . . . more than forty medical and allied journals are published here.

Within the next few years, Chicago and Northern Illinois is destined to rank above all the great medical centers in history. Three tremendous expansion programs are far beyond the planning stage with most of the land for the buildings already purchased. Public and private sources have pledged additional funds for the establishment of new medical facilities, hospitals and laboratories to cover many acres of land and to cost hundreds of millions of dollars.

In the Medical Center District project, the University of Illinois and Loyola University, the State Department of Public Welfare and the Veterans' Administration will erect a community of new buildings for the study of public health, industry and aviation medicine. In another of these vast programs, Northwestern University plans ten new buildings, including an Institute for Medical Research in such fields as heart ailments, cancer and high blood pressure. Other buildings in this group will enlarge the facilities for special medical studies, hospital care and the nursing school. As part of this project the Veterans' Administration will erect a hospital, and Mercy Hospital will install a one thousand bed hospital unit and a research center.

At the University of Chicago still another of these expansion programs is under way. Four new clinic buildings and four buildings for atomic research, including the Institute of Radiobiology and Bio-physics, will be added. Extensive investigation will be conducted into the new possibilities in medicine, particularly in cancer, opened by the development of atomic research. Throughout all of Chicago and Northern Illinois many other groups have announced plans totaling more than 200 million dollars for hospital facilities.

Students and doctors seeking opportunities for research, advanced study, and actual training under foremost physicians and surgeons will turn to the many hospitals and schools here. As the land is being cleared in multi-million dollar programs, and as the finest hospital and laboratory equipment in the world pours in, future world leadership in the field of medicine is assured for Chicago and Northern Illinois.

Industries in this area have these outstanding advantages: Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Good Government • Good Living • Good Services for Tax Dollars. Send for free booklets containing useful information on these advantages.
